Digital access of Academic Certificate on NDML Academic depository.

NDML Academic Depository (NDMLAD) is to facilitate digital issuance, storage, access and verification of Academic Awards issued by Academic Institutions. The vision of NDMLAD is to provide an online 24X7 storehouse of academic awards & service for verification of awards.

The Institute receives several requests from Corporate, agencies and individuals to verify the education particulars of Alumni. All applications received for verification, overseas verification/WES will be accepted in digitally form through NDMLAD.

Following are the steps to Access OR download academic certificates.

For Verification Entity:

Academic awards issued by **AI NAME** to students are now available for online verification through Academic Depository by NSDL Database Management Limited (NDML). All verification entities, employers, background check agencies & Academic Institutions are requested to contact below officials from NDML for online verification of awards:

Verifier entities can visit NDMLAD for registration process: https://nad.ndml.in/verifiers-features.html
