

STUDENTS FEEDBACK ON CURRICULUM

Academic Year 2022-23

This questionnaire is to collect information relating to your satisfaction towards curriculum for creating conducive atmosphere for teaching and learning. The information provided by you will be kept confidential and will be used as important feedback for quality improvement of the program of studies/institution.

Roll No.	
Name of the Student	
Email	
Batch and Semester	

Rate the curriculum/syllabus on the following Points

SR. NO	Statements	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
		5	4	3	2	1
1	The allocation of the credits to the courses is done optimally.					
2	The syllabus of the course is relevant for implementation of projects.					
3	The electives offered are inline with technological advancements.					
4	The evaluation scheme designed for each of the course is optimal.					
5	Theory to laboratory ratio in the course is appropriate.					
6	The curriculum is sufficient to make you analyze the engineering problems and design and develop its suitable solution?					
7	The syllabus of the course gives adequate competency to deal with needs of an IT professional
